Re: American Consolidated Mining Properties - Clifton, Utah

Dear Mr. Hedberg,

Thank you for taking the time to do a field examination of the exproation site in the Clifton Mining District of Tooele Co., Utah.

As you will recall, the date of July 26, 1989 was suggested by Steve Brooks, Geologist, from the Bureau of Land Management, that applications are to be submitted to the BLM; at which time your office will be sent copies of all of the information prepared.

It is our desire to keep you fully informed as to the plans and the developemrt of the Clifton properties.

Thank you very much.

Sincerely,

William D. Moeller, CEO
AMERICAN CONSOLIDATED MINING CO.
